SEXY Lily-Rose Depp looked like a NIP off the old block as she went BRA-LASS at a trendy film festival.

Lily-Rose, 19, is the daughter of mumbling film legend Johnny Depp and sexy French actress and singer Vanessa Paradis of *Joe Le Taxi* fame.

And the tasty teen sensation was stripped down to basics as she got out of her limo – even neglecting to wear a bra.

Roxanne Pallett DROWNED my tiny kittens

SUNDAY Sport EXCLUSIVE

DROWNING SORROWS: Millie has told how Roxanne 'killed' her pet kittens *(below in happier times)*

FORMER *Emmerdale* favourite Roxanne Pallett felt the full fury of public outrage when she falsely accused Ryan Thomas, ex-*Corrie* hunk, of twatting her on *Celebrity Big Brother*.

Now the 35-year-old fantasist faces another shitstorm after being accused of causing the deaths of two cute KITTENS!

For cat owner Millie Watkins was so outraged by Roxanne's behaviour on *CBB* she took kittens Flopsy and Tinkerbell and DROWNED them in a BUCKET!

Millie, 71, of Swansea, said: "When Roxanne blatantly accused Ryan Thomas of hitting her, I saw red. What a spiteful thing to make up about such a lovely lad.

"If the TV cameras had not shown her up to be a liar, Ryan's career could have been ruined or, even worse, he could have been thrown into jail where his good looks would have got him bummed to death.

"The more I thought about it, the crosser I got. Then I picked up Flopsy and Tinkerbell and drowned them in my mop bucket. When the rage subsided, I felt very sad for the little things. But it was not my fault.

"If Roxanne had not done the dirty on Ryan, I wouldn't have drowned those kittens.

"So, in a very real sense, Roxanne Pallett drowned my kittens."

Meanwhile, Ryan went on *This Morning* and said there's still no sign of the note of apology Roxanne claimed to have written to him.

And he admitted: "I wanted out. I thought the police were going to call me. It was serious."

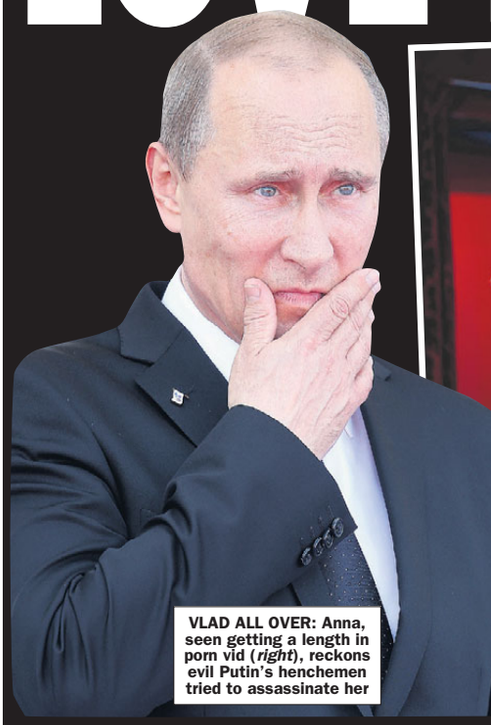
MODEL 'POISONED FROM LOVE



VLAD ALL OVER: Anna, seen getting a length in porn vid (*right*), reckons evil Putin's henchemen tried to assassinate her

By SIMON DEAN
simon@sundaysport.co.uk

A RUSSIAN-born model who claims she was poisoned by assassins sent by the country's president Vladimir Putin is a hardcore PORN STAR, we can reveal.

Anna Shapiro, 30, and her husband, Alex King, 42, insist they became violently ill in the Italian restaurant Prezzo, in Salisbury, Wilts.

Anna – who models under the name Anna Webb – says she found her husband collapsed in the toilet and "foaming at the mouth".

The centre of Salisbury was placed on lockdown, as the incident occurred near the restaurant where Sergei Skripal and his daughter Yulia fell ill after being poisoned with Novichok by Russian agents in March.

Authorities later gave the area the all-clear.

Exposed

A Wiltshire police spokesman said: "Tests have confirmed that the two patients who fell ill in Prezzo restaurant in Salisbury on Sunday evening were not exposed to any kind of nerve agent.

"Following test results, at this stage this is not being treated as suspicious.

"Inquiries into what caused the pair to become unwell are still ongoing. However, due to the recent events, scientific tests were undertaken to establish if they had come into contact with Novichok, or any other type of nerve agent."

But the saga took a bizarre turn last week when it emerged that police were investigating claims that Anna and Alex's poisoning was some kind of HOAX.

Whatever the truth, what is CERTAIN is that Anna was filmed taking a TEN-INCH penis in her pretty mouth before easing the

length of erect COCK up her neatly-shaven slit.

In the movie, Anna – wearing red stockings and a colourful suspender belt – groans in ecstasy as the dark-haired porn hunk's wrist-thick tool slips into her glistening, moist vagina.

The climax of the scene comes when the hunk furiously masturbates as Anna kneels before him. Seconds later, a torrent of sticky white spunk – possibly an entire teacup-full – erupts into Anna's face.

She wipes the steaming gloop from her chin and gobbles it down like a hungry puppy dog.

Sunday Sport has established that Anna has made at least TWO porn movies – *Honeytrap* and *For Your Thighs Only*.

Cock

Adult Channel Babestation will be broadcasting the premiere of the movies on Freeview channel 675 from 11pm.

The scenes are also available on the *www.babestation.tv* members website, we have found.

A source at the station said: "Anna is one of the hottest performer's I've seen. When she bounces on cock you can tell that she absolutely LOVES it up her."

Anna claims that agents sent by tyrant Vladimir Putin used RAT POISON on her and her husband.

The blonde reckons she became a target as her father was a top Russian general.

She said: "I was targeted by Putin's henchmen. They want me dead as I oppose Putin and have turned my back on my country.

"Russia is capable of anything. I'm sure the Russians think I'm a British spy. I know lots of rich businessmen in central London and because I have the accent, people make assumptions about me."

Salisbury has been on tenterhooks since the Novichock attack on double-agent Sergei Skripal, 67, and his daughter Yulia Skripal, 33.

Dawn Sturgess, 44, died after being exposed to the nerve agent when a discarded perfume bottle was found.

Prime Minister Theresa May has accused Russia of being behind the attack, but Moscow has denied the allegation.

Aliases

Earlier this month British authorities charged in absentia two Russians who they said were operating under aliases – Alexander Petrov and Ruslan Boshirov – who they said had tried to kill the Skripals.

The 35-year-old *Have I Got News For You* regular said: "I don't think my male counterparts get the same volume of requests for foot pictures. I don't know that they get sent videos of people wanking.

"Unfortunately with women there's a list that people go down. They either call us crazy, or ugly or fat or bitches, so I've probably been called a crazy fat ugly bitch."

Street-shag thief's girl lobbed poo around cell

A MAN admitted having sex in a town centre shopping arcade with a woman who later chucked her poo around a police cell, a court heard.

David Adam Danny Nash pleaded guilty to outraging public decency by engaging in "numerous and various sexual acts, including intercourse in public" at Wrexham's Central Arcade on August 28.

The 23-year-old, of no fixed abode, also admitted various theft charges and failing to surrender to custody while on bail, as well as possessing heroin and, as a sex offender, failing to notify he was homeless.

Nash pleaded guilty to all offences before Wrexham magistrates.

His co-accused Tracy Ann Myers, 34, who faced the same charge, was unfit to plead.

Myers also faces a charge of causing criminal damage to a cell at Wrexham Police Station by throwing food, urine and faeces on September 16.

Defending both, Stephen Edwards said Nash was a vulnerable person who had a challenging life, living a "chaotic lifestyle".

JPs adjourned the case for reports and bailed Nash.

SEX REPORTER JANE AT FRESHERS' WEEK

I walked i room to f on their k pleasurin two lads

WITH thousands of horny students now starting university – many of them free from their parents' shackles for the first time – it's bound to be a time for plenty of alcohol and sexual experimentation.

EXCLUSIVE
By JANE PARK
jane@sundaysport.co.uk

Freshers' week is arguably the best time of a student's life and they're normally too busy bonking and boozing to miss home at all.

It's been a good while since I was a student at Bangor University but when my editor asked me to go to Liverpool for the weekend to delve into the student scene, I jumped at the chance.

Condoms

Packing all the essentials – cheap vodka, two sexy outfits and a few condoms – I headed to the Scouse city on the hunt for the best freshers' events around.

The train was jam-packed with students and I got chatting to one girl, Hannah, who was moving from Birmingham to Liverpool John Moores to study business.

"It'll be the best week ever, I'm finally free of my mum and dad and I can't wait to properly meet my new housemates," Hannah told me.

"We've already been chatting online and we're having a house party tonight, come along, Jane!"

Scribbling down the details, I headed to my hotel for the weekend and while running a bath I popped open a cheap can of vodka and orange to get back into the student mentality.

Afterwards I slipped on a tiny red dress, coated my lips in gaudy matching lipstick, slipped on my stilettos and headed out.

I knocked on Hannah's door and within a few minutes she greeted me by planting a snog on my lips and pinching my bum.

"Hope you're ready, Jane. Enjoy," she said with a wink.

The party was already in full swing as I wandered around the

CUMMING AGAIN: Our Jane goes back to uni and finds it's still sex mayhem

student house, I was weaving in and out of people shagging against the walls.

There were students from the University of Liverpool and John Moores all intertwined in a shag fest of limbs.

Luckily I had my phone handy and managed to snap a few sneaky pictures without anyone realising.

I walked into one room to find two girls on their hands and knees pleasuring two lads while one fella, who told me his name was Beefy, watched on a sofa.

Cock

As I sat next to Beefy, I couldn't stop looking at the foursome happening in front of us and, without thinking, my hand went towards his cock.

He was already as hard as a rock and as the two girls deep-throating their men, my hand instinctively started rubbing his dick through his pants.

Pretty quickly, the girls reached top speed and were slurping and sucking their men's cocks like their lives depended on it.

My other hand went towards my pussy and I began rubbing my clit as I carried on stroking Beefy's penis, getting him more worked up by the second.

I was soon dripping wet, and when the lads in front of us jizzed all over the girls' faces I felt my own shuddering orgasm wash over me.

"Ahhh," I heard Aiden moan as a wet patch formed on his jeans.

"Sorry babe. Never mind, I've got plenty more where that came from," he winked as I realised I'd made him spunk in his jeans.

"I'll be back next year. Maybe by then you'll have a bit more experience in your locker," I whispered as I left Hannah's house.

The next night I headed out into the city, eager to catch a glimpse of what freshers events they had on in Liverpool.

I headed off to a busy club where I had arranged to meet Hannah and arrived at around 11pm to see her already straddling some fresh-faced young hunk in a corner.

His hand was wandering up right up her skirt so instead of interrupting, I grabbed a drink and watched all the goings-on.

Scanning the room, I saw two women flashing their boobs at three lads before all five of them enjoyed a group snogging session.

In another corner two girls were locked in a lesbian kiss while a lad was openly wanking himself off as he stared at the girl-on-girl action.

Turning my attention back to Hannah I could she was getting some very intimate attention from her fella as his hand was going like the clappers under her skirt.

I saw her orgasm, and then without a second thought she readjusted herself and came over to meet me.

"Sorry about that Jane but he was fit and the moment took over me. I've had three lads in two nights now but I'm still horny!" she said and grabbed my face for a kiss.

As we began snogging, she started groping my boobs and her hand slowly began snaking underneath my dress.

Fingers

Eager to please – and be pleased – I parted my legs as she started plunging her fingers into me as we carried on kissing in a dark corner of the club.

I came within minutes. When I'd calmed down I kissed and said: "Thanks Hannah, maybe next year we can pick back up where we've left off."

I then left. That night, I spent a good while with my dildo as I relived the weekend's events and looked back over the photos I'd secretly taken.

Freshers week is still hot. It's no wonder students call uni the best time of their lives!

FACING BIRD: Hopkins with Oleg, who he trained to spy on nude nuns

By BARNEY SAMUELS
news@sundaysport.co.uk

A SICKO who trained an OWL to perch on a convent bathroom window while wearing a tiny video camera around its neck is facing jail.

Dominic Hopkins, who has raised owls at his Tewkesbury, Glos, farm for 13 years, taught Eagle Owl Oleg to fly carrying a wireless camera that sent images to his laptop.

The footage was so good it was considered for BBC's *Countryfile*.

But Hopkins' hobby took a more sinister turn, magistrates were told, when the crafty aviculturist, 61, encouraged the bird to roost on windowsills at St Agatha's Convent near his home.

The court was told that "by chance" the owl perched on the novice nuns' bathroom window.

The 18-year-old junior nuns flocked naked to see the visitor, unaware the camera around its neck was recording them.

Hopkins later amassed more than 13 hours of footage of nude novices.

His crimes only came to light when the drunk Mother Superior shot the owl with a 12-bore while convinced it was "Satan" and other nuns found the camera.

Hopkins pleaded guilty to 156 counts of making an intimate recording without permission.

Sentence was deferred but he was told he faces an "inevitable jail term".

THE VOICE OF YOUR BRITAIN

Refreshing to hear students DO give a f**k

OVER the past week, we've seen photographs of young people enjoying their first taste of freedom at university freshers' week.

The images of these youngsters, freed from parental control and running riot in city centres and on university campuses will delight every soul.

Keen, as always, to investigate the hopes and desires of these fresh-faced men and women, our intrepid reporter Jane Park visited a student sex party.

You can find her exclusive report on pages six and seven, and it makes for refreshing reading.

In recent months, we have heard our young people slandered as 'snowflakes'.

We have read that they are so petrified by the diktats of gender politics and the #MeToo campaign that they have retreated into a world of cybersex and electronic seduction with no physical contact at all.

Jane's report proves that the ages-old activities of students are still alive and well.

Getting drunk, neglecting their studies and having rampant sexual intercourse with each other.

In a troubled and ever-changing world, it's a joy to find some things are as they've always been.

Let's wipe these evil critters out

TODAY Sunday Sport warns of a grave peril facing our nation.

Not the evil forces of Islamic fundamentalist terrorism...

Not the crude gangsterism of Vladimir Putin...

Britain is under siege from millions of deadly spiders lurking in toilet rolls, ready to bite us on the ARSEHOLE!

Those in the know are aware that a spider bite to the nipsy is the most painful experience a human being can endure without expiring on the spot.

And all we can do is warn our loyal readers to check that toilet roll before you wipe.

A split-second's vigilance will prevent a lifetime of anguish.

OA-PEED OFF: John Gaskill was abducted on way home

Warning as transplants fuel penis thefts

BLOKES have been warned to keep a firm hold of their meat 'n' two veg as gangs of COCK THIEVES roam the UK pinching peckers for the penis transplant trade.

Medical advances have made genital transplants a reality – but with a MASSIVE backlog of demand for donor dicks and a TINY supply, criminal gangs are moving in to make up the shortfall.

ADVANCES: Cockless men can have new knobs fitted

And that means any man with a full set of family jewels could fall prey to the cock 'n' balls "bandits".

Retired John Gaskill, from Hereford, was robbed of his penis last Monday on his way home from the pub.

The 71-year-old told *Sunday Sport*: "This Transit van pulled up and four big blokes – clearly from eastern Europe – jumped out.

"And would you know it – those bastards had stolen my old fella!

"If I was 30 years younger, I'd box their ruddy ears."

A National Crime Agency source said that genital theft was a "tiny but growing" crime.

But our source said officials were reluctant to blame Albanian shit gangs for fear of being branded "racist".

The thefts have tainted what many dickless men had seen as good news.

A man who lost his genitals in a war injury earlier this year had the world's first full penis and scrotum transplant.

Surgeons at Baltimore's John Hopkins University rebuilt the hero's entire pelvic region from the parts of a deceased donor.

It was anticipated the op would give the injured man full urinary and sexual function.

He said: "In reality, it's an ordinary white button mushroom but we've decided to call it 'President's Pecker'. Hopefully it won't put too many people off.

"I don't imagine you want to think about Trump's todger when you're tucking into a mushroom omelette."

Brit blokes in sex count screw-up!

A NEW study has proven men aren't that clued-up when it comes to knowing about women's sex lives.

New research shows Brit blokes believe that ladies aged 18-29 have sex 22 times-a-month.

The actual figure is just five times.

But as it turns out, it's not just men from the UK who have this opinion of female sex lives – the research, carried out in 40 countries over a five-year period, shows similar patterns in the US.

The study – by the Social Research Institute at Ipsos MORI – also found it's younger fellas who tend to have more of a distorted take on the topic.

Men aged 34 and under guessed that women on average have sex a 33 times-a-month, whereas older blokes estimated it at 14 times.

She suffered an unfortunate wardrobe malfunction earlier this year when she accidentally flashed her nips while attending the Inaugural International Fashion Show in London's swanky Rosewood Hotel.

The beauty, from Phoenix, Arizona, sported a see-through teal maxi that left virtually nothing to the imagination as she attended the fashion event alongside fellow songstresses Vanessa White and Nicola Roberts.

'Locker room' sex beast is locked up

A PERVERT caught in a sting when he went to meet a 15-year-old girl for sex used DONALD TRUMP as his defence.

Creepy Dante Camacho, 23, thought he was chatting to a teen online when he arranged to meet her at a hotel in Albany, New York.

But he was actually chatting to an undercover cop and was busted when he arrived at the motel.

In court, Camacho claimed he never intended to have sex and said that X-rated online chat was "locker room talk" – the same expression the U.S. President used to explain his notorious "grab 'em by the pussy" boast.

And, as with Trump, the excuse fooled nobody and Camacho was found guilty of attempted criminal sex before being banged up for four years.

SAMMIE'S STAIRWAY TO HEAVEN!

By WENDY THOMAS
news@sundaysport.co.uk

IMAGINE coming home to find sexy Sammie Pennington sitting on your stairs!

The 27-year-old, from Hammersmith, west London, revealed: "It's one of my favourite tricks with boyfriends.

"They come home after a hard day at work, put the key in the lock, open the door and there I am.

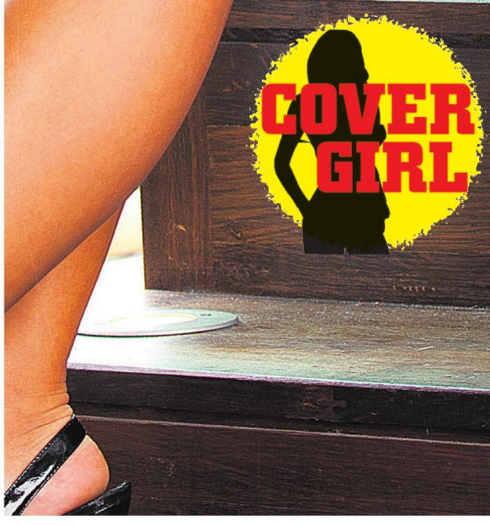
Panties

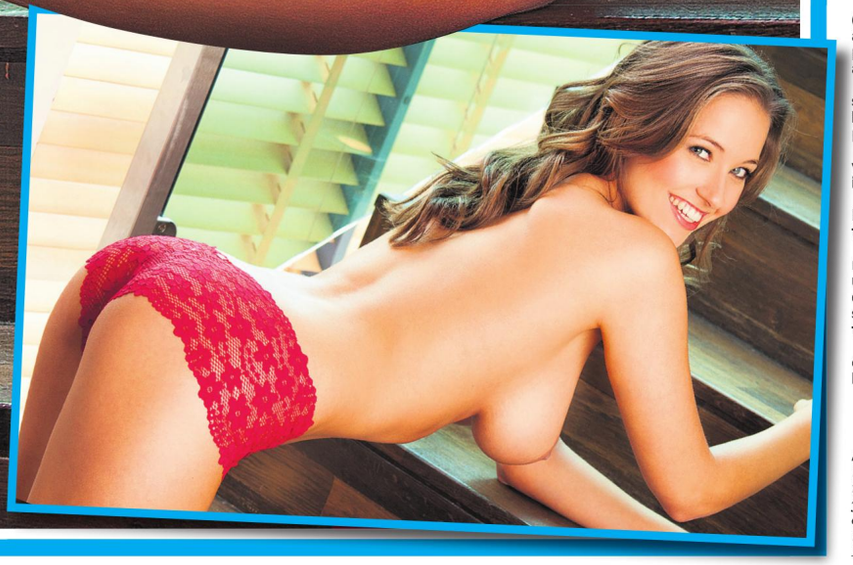
"With my boobs out and wearing a tiny pair of panties!

"More often than not, they don't stay on very long.

"It doesn't matter how tired they are at the end of a long day at work, the sight of me seems to revive them."

The 34E babe added: "I've had it off on the stairs more times than I can recall."





Crossdresser faces jail over gay sex 'con' porn movies

A MAN is facing up to 10 years in jail after cross-dressing as a woman then filming himself having sex with at least 80 unsuspecting straight blokes to make pay-for internet porn videos.

Bryan Deneumostier, 33, admitted engaging in sex with 150 men – half of whom were unaware of his secret porn movies.

Deneumostier, of Homestead, Florida, was arrested in July on charges of making unlawful recordings of commercial sex acts for an adult website.

An indictment lists three victims related to his operation of "StraightBoyz" – a site promising gay men videos of real straight fellas being conned into accepting sex acts, all while blindfolded or wearing blacked-out goggles.

Investigators believe Deneumostier also helped operate the subscription-based adult site – which has more than 600 videos – since 2014.

Although the website is no longer up and running, many of the videos can still be viewed on other sites.

Deneumostier is said to have posed as a "real, straight female" and posted ads on Craigslist seeking flings at "her" house.

Traffic minge twerk arrest

A WOMAN who was naked from the waist down and "twerking" on a busy roundabout has been nicked for exposure.

Latasha D. Rhem, 38 (*above*), was said to have almost caused "several prangs" as she danced around half-naked.

One witness described seeing Rhem "fingering her heavily-haired" private parts in the incident.

Detective Doug Russell was called to the scene in Ocala Florida.

The lawman arrested Rhem and she was taken to the Marion Co Jail.

Russell noted in his report that Rhem was not under the influence of drugs or alcohol, and said she was "just on the way to the shops".

Rhem has since been charged with lewd and lascivious exhibition.

OUTED: Bert and Ernie

Punters go nuts for £300 Bert and Ernie taboo sex act

A GAY brothel in Berlin is offering a £300 kinky sex act called the "Bert and Ernie".

The specialist act – which is too upsetting to describe in a family newspaper – was named after the much-loved *Sesame Street* characters were outed as homosexuals last week.

Helmut Scheisse, owner of The Greased Fist sauna and massage dungeon, told *Sunday Sport*: "We are having a bit of fun with the Bert and Ernie. Very popular – especially with the Arab gentlemen.

"But afterwards, the mess. Ach! The horror… the horror!"

One punter said: "I think that the Bert and Ernie is perhaps something that needs a strong stomach and lots of poppers.

"The first time I tried it, I emerged with a torn ass. But it is very agreeable."

Last week the Bert and Ernie saga erupted online after former *Sesame Street* writer Mark Saltzman said he imagined the puppet pair as a "loving couple" when writing sketches for them.

Sesame Workshop, which produces the long-running kids' show, released a clarification stating that, as puppets, Bert and Ernie "do not have sexual orientation."

Now Salzman claims his initial remarks were misinterpreted and that he never said Bert and Ernie were definitively homosexuals.

"Maybe they were gay when I was writing them," Saltzman said, "but I never felt I had the authority to declare them to be gay. I'm sure when straight writers wrote Bert and Ernie, they were straight."

Drug deal Miss jailed after sex with pupils, 17

A FORMER teacher accused of having sex with two students is going to jail after she was twice arrested on drug charges.

Sarah Lindsay Lewis, 29 *(above)*, had her probation revoked and was ordered to serve five years in prison on a charge of unlawful sexual activity with a minor.

She was also bound over for trial on the drug charges in Provo, Utah.

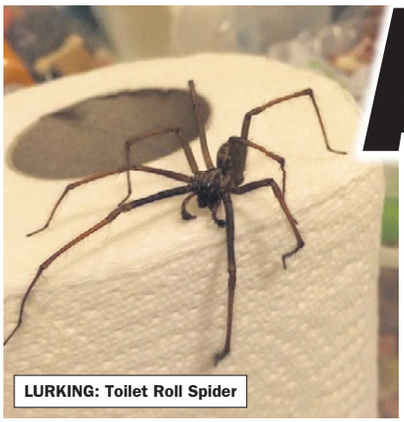
Lewis was originally given probation after striking a plea deal with prosecutors last year.

The ex-social studies teacher at Spanish Fork's Landmark Academy was accused of having sex with a pair of 17-year-olds.

Judge Kraig Powell gave her credit for time served.

Lewis was then arrested in July and again in August on charges that she was dealing methamphetamine.

BOGROLL DEATH SPIDER BIT ME RIGHT ON THE ARSEHOLE



LURKING: Toilet Roll Spider

RELAXING on the toilet with a copy of his wife's *People's Friend* magazine last weekend, all was well in Brian Thompson's world.

Until he reached for the toilet paper, where horror was lurking…

For unknown to Brian, sat ominously on the soft, triple-ply sheets was Steatoda vulgaris – commonly known as the Toilet Roll Spider.

Understandably upset at being disturbed from its slumbers and used to wipe Brian's shit-streaked bumhole, the spider sank its venomous fangs into the 55-year-old's vulnerable nipsy.

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

Still recovering at his home in Ramsgate, Kent, Brian told *Sunday Sport*: "Until a spider's bitten you right on the arsehole, you have no idea of what pain it.

"It felt like a volcano had erupted in my rectum and my scream set every dog in the parish barking.

"My wife Linda came running up the stairs and found me writhing in agony on the bathroom floor.

"She asked, 'What's wrong Brian?' I replied, 'It's my arse… my poor arse'.

"At that point, I still had no idea it was a spider bite."

Constipated

In hospital, medics discovered the tell-tale puncture wounds on Brian's arsehole and applied an antidote – but not before the area had grossly swelled, leaving the semi-retired welding consultant constipated for three whole days.

He added: "When I did manage a motion, the agony started all over again.

"From now on, I'll check the loo roll every time I use it. I've learned my lesson.

"I'm just terrified one of these spiders may bite my dog Jasper on the dick or something. So now I carry him everywhere with me."

WRITHING IN AGONY: Brian was savaged on his shitter *(below)*

The Toilet Roll Spider was unknown in Britain until 2013 when it was spotted in Dover.

The beast, now quite common across Britain, likes to lurk in the middle of toilet rolls, relishing the warm, damp conditions of the bathroom and the smell of human filth.

Related to the False Widow, its bite is agonising and victims have been known to die of shock or poisoning.

And Gav convinced his 23-year-old babe to share a snap of her panties – and her glorious 34D boobs – with *Sunday Sport* readers.

He added: "She's a real diamond!"

Nude car crash pair held over 'spying'

POLICE in India arrested two suspected Chinese spies who were found naked after their car was involved in an accident.

Three people were critically injured in the crash in Meerut, a city in Uttar Pradesh.

The driver has been charged with four counts, including reckless driving and causing grievous harm.

Traffic came to a halt in the area as a crowd of people gathered around the two nakd men and their dented Toyota, waiting for cops to arrive.

One of the men claimed he wasn't wearing clothes because he'd had "a few bottles of Indian beer that he could not handle".

A police spokesman said the men are in the meat export business and both on business visas set to expire.

Indian secret services are also probing suspicions the pair are spies.

SEX-SWAP LAUREN SIGNS FOR ANTIQUES ROADSHOW

CHILD STAR: Lauren when she was James

Beeb bosses keen to boost diversity

OLD HAND: Lauren, (*left*) as a boy with Terry on *Wogan*, could star with Fiona on *Antiques Roadshow*

TRANS celeb Lauren Harries is to feature as one of the experts on BBC's *ANTIQUES ROADSHOW* in a move that will have Sunday evening audiences spluttering into their high teas!

By BARNEY SAMUELS
news@sundaysport.co.uk

The star – then a 10-year-old boy called James – stunned viewers of chat show *Wogan* in 1988 with her vast knowledge of precious knick-knacks.

Piss

Now *Antiques Roadshow* chiefs – facing calls from top brass to increase "diversity" on the show – have secretly made a play for Lauren to become a regular fixture.

An insider said: "I don't know whether this is producers – often frustrated by the endless calls for diversity – taking the piss or whether they genuinely think Lauren would be a big draw. I can't even think what Arthur Negus would make of it."

It's not known if *Antiques Roadshow* host Fiona Bruce has yet been made aware of the move though a friend of the presenter said, "she'd be cool with it."

The pal aded: "Fiona may present a show about antiques but she's a thoroughly modern woman."

Lauren, who underwent gender reassignment surgery in 2001 and claims to have bedded alleged comedian Russell Brand, most certainly has an eye for the sort of lost treasures that *Antiques Roadshow* unearths.

From the age of five, she collected all kinds of objects – china and trinkets – from car boot sales and second-hand shops.

Her break came when a piece of porcelain she found was valued at several thousand pounds.

10 things you might not know about STRICTLY

POPULAR dance show *Strictly Come Dancing* kicked off its 16th series last night with a new batch of celebs taking to the dancefloor.

Pop stars and actors were among the famous faces performing their first dance on Saturday night's live show.

Since it began in 2004, *Strictly* has welcomed more than 220 stars to the show.

Here's 10 things you may not know about the BBC contest...

1 **THERE are around 200 dresses made each series and more than 170,000 rhinestones used by the show's costume department.**

2 BEFORE the contestants are announced they all have code names. In the past, the crew have used Disney characters and Shakespearean names – this year it was an assortment of cheeses.

3 **THIS year, 5.2 million people applied for a ticket to be in the *Strictly* audience. There will be plenty disappointed as there are only 600 seats for every show.**

4 HAIR is of course an equally important part of the *Strictly* experience, so much so that around 504 cans of spray are used per series – equivalent to 252 litres worth. That's enough to fill six Mini Cooper petrol tanks. There's also around 37,000 hair pins used – which would stretch for two miles if you laid them end-to-end.

5 **A TOTAL of 44 pro dancers have partnered celebrities since the first series, but only Anton du Beke, 52, has been with the show since the beginning.**

6 *STRICTLY* is currently housed on the soundstage where the original trilogy of *Star Wars* movies were shot.

7 **THE infamous *Strictly* curse has put an end to 11 relationships.**

8 *STRICTLY* is a follow-on from the original BBC ballroom competition, *Come Dancing*, which ran for just shy of 50 years. Since its relaunch in 2004, the format has been exported to more than 50 countries.

9 **JUDGE Craig Revel Horwood, 53, actually appeared on a Louis Theroux documentary about struggling New York City actors. Judge Bruno Tonioli, 62, worked in the music business, as a choreographer, before taking the *Strictly Come Dancing* hot seat and he stars in Elton John's vid for *I'm Still Standing*.**

10 THE cast get through 57 litres of fake tan every series and they even released their own *Strictly* tanning line last year.

TOP 50 BRIT BAB

By GRACE HOOPER
news@sundaysport.co.uk

HERE we are folks, the climax of our series... and we think it will leave your eyes – and your trousers – bulging!

In our sister papers *Midweek* and *Weekend Sports* last week you had the first two instalments of our Top 50 Brit Babes Bared.

Today, we reach the top of the tree – the Top 10.

These absolute stunnas are the real cream of the crop and over the next four pages you'll see the best boobs in Britain today.

All we can say is… enjoy!

9 KELLY BROOK

KELLY has always been one of our nation's sweethearts since her early modelling days.

OK, there was a bit of a hiccup with that *Big Breakfast* gig, but all is forgiven and we get hundreds of letters every week begging to see more of her.

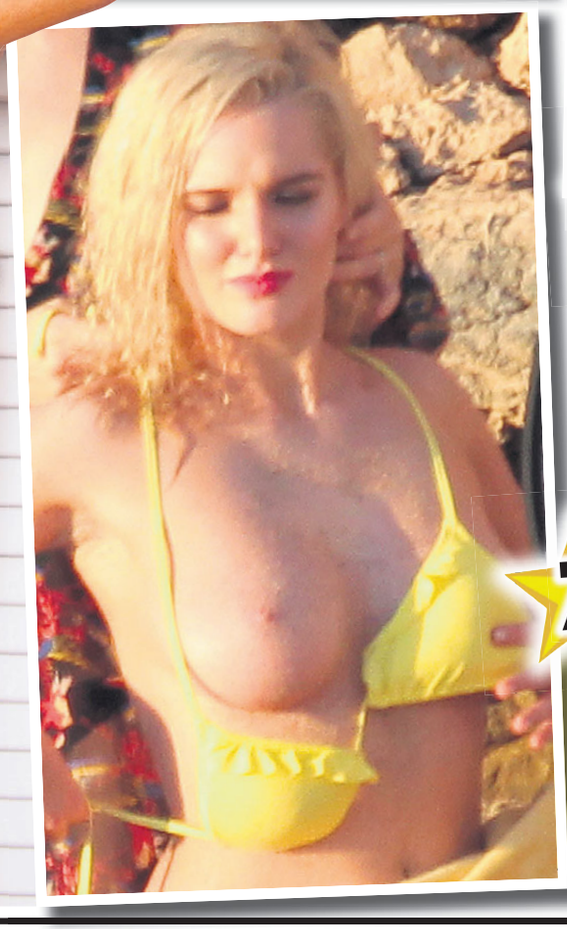
Now 38, Kelly is finding a whole new army of fans as a keen GARDENER!

10 LEAH FRANCIS

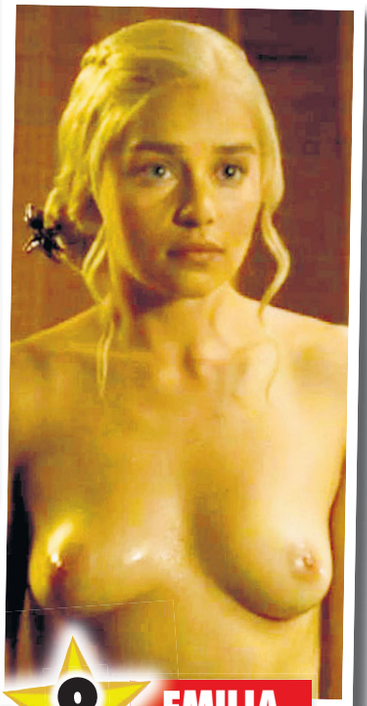
BUSTY Leah Francis always gets a mountain of fan mail whenever she appears on the pages of *Sunday Sport*.

The 34G beauty, from Southampton, is chuffed to bits to be in the top 10 of the Top Brit Babes.

The 28-year-old said: "It's flattering and humbling. I'm glad people like my photos."



8 EMILIA CLARKE



GAME of Thrones has been the telly phenomenon of the millennium and has made megastars of its actors.

And one of the biggest is 31-year-old Emilia, who plays Dragon Queen Daenerys Targaryen.

The role has won her three nominations for the Primetime Emmy Award for Outstanding Supporting Actress in a Drama Series.

Meanwhile, her fantastic boobs have won her millions of adoring male fans.

7 HELEN FLANAGAN

HELEN plays ditsy wannabe glamour model Rosie Webster in *Coronation Street* and, naturally, did a spot of glamour modelling in real life.

When her glorious busters fell out of a skimpy yellow bikini on a photo shoot, every man in Britain cheered to the rafters.

Nowadays, in addition to her *Corrie* duties, mum-of-two Helen is a Cheshire-based WAG.

BES BARED

THE FINAL COUNTDOWN

6 LUCY PINDER

LUCY was discovered way back in 2003 when a freelance photographer spotted her on Bournemouth beach and asked if she'd like to do some modelling.

Thankfully, 32G Lucy said 'yes' and she became one of the biggest models of the ladsmag era – as well as a *Sunday Sport* favourite.

In January 2009, Lucy appeared in the sixth series of *Celebrity Big Brother* and she's deeply involved in charity work.

5 MICHELLE KEEGAN

ANOTHER national sweetheart, men across Britain groaned when gorgeous Michelle married him off TOWIE.

Michelle found fame – and millions of adoring fans – as feisty Tina McIntyre on *Coronation Street*.

These days, the 31-year-old plays Lance Corporal Georgie Lane in the hit BBC military drama *Our Girl*.

4 MELISSA DEBLING

MELISSA is a real-life Darling Bud, coming from the Garden of England, Kent.

The 27-year-old's 32E all-natural boobs are hailed as being among the best in the business.

She thrilled fans earlier this year by revealing in *Sunday Sport* that she sometimes goes out without panties!

TOP 50 BRIT BABES BARED

3 MEGAN BARTON HANSON

WHEN 24-year-old Megan popped up as a contestant on *Love Island* earlier this year, many people said: "Hang about, she looks familiar…"

And it turns out, she was familiar – to users of the hugely popular AdultWork website.

Megan posed nude on the website and offered webcam sessions.

Her profile on Adultwork was under the name of Fifi-XXX and she tempted punters with sexy "HD webcam sessions, phone sex and dirty texts", which start at £2 a minute.

2 EMILY RATAJKOWSKI

MANY people think that Emily is a Yank, but she was born in London in 1991.

She rose to prominence in 2013 after appearing in the music video for Robin Thicke's *Blurred Lines*, which became the number one song of the year in several countries but attracted controversy over what some of the hair-legged brigade called "sexist content".

Emily began acting as a child in the San Diego area before she gained a recurring role on the Nickelodeon series *iCarly*.

Her feature film debut was as the mistress of Ben Affleck's character in the 2014 film *Gone Girl*.

But, let's be honest, she's most famous for getting her spectacular teats out!

1 RITA ORA

KOSOVO-born Rita rose to fame in February 2012 when she featured on DJ Fresh's single *Hot Right Now*, which reached number one in the UK.

Her debut studio album, *Ora*, released in August 2012, debuted at number one in the United Kingdom and contained the UK number-one singles *R.I.P.* and *How We Do (Party)*.

She was the artist with the most number one singles on the UK Singles Chart in 2012, with three consecutive singles reaching the top position.

Like the Queen of Pop, Madonna, before her, Rita has never been shy to reveal what's in her bra.

Little wonder. The 27-year-old stunna has what a former production worker on ITV arts show *The South Bank Show* described as "amazing tits".

STONY BROKE KATIE'S £20K BUM FUN PORN DEAL

HARD COCK FOR HARD TIMES: Katie has been offered a lifeline

Controversial star's sex flick lifeline

MOTORMOUTH Kate Hopkins has been thrown a financial lifeline by leading grumble outfit *Television X*.

The Brit porn firm have offered the cash-strapped star more than £20,000 for a BUM FUN movie.

Katie, 43, applied for an insolvency arrangement to stave off bankruptcy last week after losing a £24,000 libel case brought against her by author Jack Monroe last year.

Hopkins falsely implied on Twitter that the left-winger had vandalised a war memorial.

Now porn company *Television X* have offered to step-in and give the opinionated foghorn a big-bucks film deal to help boost her bank balance.

Firm Brexiteer Katie could be swayed by the potential film title *Bankrupt Babes Go Bonkers in Brexit Britain* and the eye-watering sum could persuade her to sign on the dotted line.

By BECCA STUBBS
becca@sundaysport.co.uk

In a letter to her agent, *Television X* wrote: "*Television X* are always keen to financially help out a celeb who has fallen on hard times – by asking them to get drooling on some hard cock.

"Katie Hopkins is no exception and we would love to help her out in her time of need."

To give Katie some advice and a helping hand, *TVX* would employ popular GILF porn actress Lacey Starr to feature in the porno, too.

They added: "We have worked a lot with popular British GILF Lacey Starr and she is keen to take Katie under her wing.

"We've had a meeting and started chucking around some titles, such as *Strapped for Cash Granny Slags* or *Destitute Dildo Dykes*.

"Our personal favourite though is definitely *Bankrupt Babes Go Bonkers in Brexit Britain*."

Fingering

With a quick fingering clip starting at just £3,000, the real money for Katie doesn't start until she's seen on screen with a COCK.

TVX added: "Maybe she doesn't want to feature on a box cover, but get into the industry slowly and then build a proper career out of it, rather than just a flash in the pan moment. To start off with a wank, we're talking around £3,000.

"But if she wants to stuff a hard cock in her mouthpiece, there's £8,000 on offer.

"For an initial cock in hole scene we would offer £15,000.

"And if she takes it up the arse that'll be £24,000 – which will cover what she's lost.

"There's a lot of sofa masturbators out there that would help build a loyal fan base for Katie – we reckon this could be the start of an exciting new chapter for her.

"We really hope Katie considers our proposal."

Last night, *Sunday Sport* had no news on whether Katie had responded to *TVX*'s offer.

DEANO ON SUNDAY

God save us from prophets of 'fun'!

THE Archbishop of Canterbury, Justin Welby, fresh from preaching the Gospel of St Jeremy Corbyn, came up with another cracker last week.

Speaking via video link, he told the National Cathedrals Conference in Manchester: "The first thing I want is for people not to be bored. I want them to have fun. Cathedrals are about God.

"If you can't have fun in a cathedral, you really don't know what fun is."

Let's put aside the idea of the Archbishop of Canterbury – the incumbent in a post stretching back to St Augustine – speaking via "video link" like the Emperor in *Star Wars*.

One word in His Grace's blathering caught my eye.

"Fun".

When I hear the word "fun" I reach for the pointed things.

Raspberries

Any attempt to impose "fun" should be greeted with the loudest and rudest of raspberries.

People who say "let's have fun" wear bow ties, put on fancy dress and get over-excited on Red Nose Day. They are, in short, the least funny people in our communities.

"Fun" in church should be eyed with the same suspicion as an erection at the swimming baths.

Also last week, a Church of England judge warned that ecclesiastical buildings will soon become "supermarkets and dance studios" if traditionalists continued to block revamps.

Chancellor June Rodgers said: "If people disagree with sensible and necessary re-ordering of an existing church building to keep it in use, then they should think what redundant churches have been turned into – a supermarket, climbing walls, dance studios, or demolished."

Dear people, I would rather a church become a wacky warehouse than a wacky warehouse that pretends to be a church.

I'm not a very religious person but that withered scrap of my soul that remains after 20 years working for *Sunday Sport* enjoys and appreciates the quiet serenity of a church.

Horrors

It's a place for reflection and meditation for, if that is your thing, getting closer to your God.

That does not involve bells and whistles, "interactive displays" or – horror of horrors – "activities".

The modernisers have had their hands on the Church of England for a couple of generations now.

They have ripped out pews, installed video monitors, rewritten the Holy Bible and thrown out the classic hymns.

And over that same time, congregations have collapsed.

The baby has been well and truly thrown out with the font water.

Turning churches into Alton Towers will not reverse its decline.

The 34-year-old was jetting off to celebrate a two pals' birthdays when they dared Suzanne to pull down her top and flash her boobs for the camera.

Sexy Su said: "When the girls dared me to go topless on the plane, I just thought, 'Why not!'"

Dolphin love story is a hit with film fans

A FILM about a man who claims to have had a "love affair" with a DOLPHIN has become a surprise hit at a trendy film festival.

Dolphin Lover, which debuted last week at the Slamdance Film Festival in Park City, Utah, tells the bizarre and sickening story of Malcolm Brenner who claims that, in 1970, he had a "consensual sexual relationship" with a dolphin named Dolly.

Brenner, now 63, was just 18 when he met Dolly at the dolphin show of the now-defunct Floridaland amusement park in Sarasota.

Brenner wrote a 2011 novel about the experience and was then contacted by documentary makers Kareem Tabsch and Joey Daoud.

But John Goodwin, of Animal Cruelty Policy at The Humane Society of the United States, raged: "Anything that attempts to normalise bestiality is something we should never tolerate."

Stars of Beeb journo drama Press topless

JOURNALISTS up and down the country were anticipating a cliched presentation of their grubby trade in the new BBC drama *Press*.

And not one was disappointed.

The staff of *The Herald* – a worthy *Guardian*-style heavy – are portrayed as principled crusaders while the *Sunday Sport*-style *The Post's* hacks are filthy, amoral fiends.

But, to help us all get past the hackneyed portrayal of Britain's noblest craft, here are the leading ladies' boobs.

Now THAT, dear reader, is journalism…

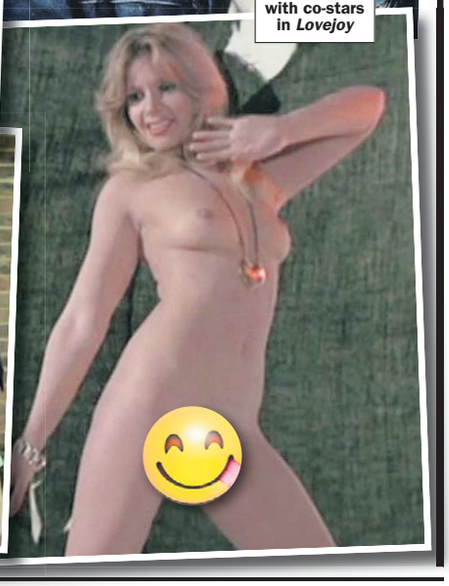
DEAD DUG DID SEX FLICK

SUNDAY Sport EXCLUSIVE

Late Lovejoy fave starred in classic PORN movie

BEEB FAVE: Dudley (*left*) with co-stars in *Lovejoy*

PORN STAR: Dudley in *The Playbirds*



TRIBUTES came in thick and fast for the *Lovejoy* actor Dudley Sutton, who died last weekend aged 85.

Dudley was best known for playing Tinker Dill, a tout who was friends with Ian McShane's roguish antique dealer Lovejoy, in the beloved BBC comedy, which ran for 71 episodes from 1986 to 1994.

But there was much more to Dudley Sutton than *Lovejoy* and he was not shy when it came to taking up controversial roles.

In the 1964 movie *The Leather Boys* he played a gay biker, at a time when homosexuality was still illegal in Britain.

He also starred in the racy 1971 Ken Russell flick *The Devils* and stripped nude to play the Bishop of Winchester in the 1991 Derek Jarman movie *Edward II*.

Iconic

But his X-rated high point came in 1978 when he played an end-of-the-world sandwich board man called Hern in the iconic Brit porn classic *The Playbirds*.

The movie starred sex icon Mary Millington alongside Windsor Davies, Glynn Edwards – Dave the barman from *Minder* – and *That's Life*'s Gavin Campbell.

The film's executive producer, *Sunday Sport* publisher David Sullivan, said: "Like everyone who worked on *The Playbirds*, Dudley was a consummate professional.

"He was also a real gent with a wicked sense of humour. He'll be sadly missed."

A statement last week from Dudley's agent confirmed the actor had died peacefully at the Royal Trinity Hospice in south London on September 15 after he was diagnosed with cancer.

He was surrounded by his family, who said in a statement: "Today we're devastated by the loss of our beautiful Dudley, who leaves a gaping hole in all our lives. We're grateful for the love expressed by friends and fans and for the extraordinary care he received at the Royal Trinity Hospice, south London, where he went out fighting for our NHS."

PORN PICS MISS IN BLACKMAIL PLOT

A SEXY supply teacher was arrested and fired after she sent photos of her naked boobs and her held-open fanny to "several" 14-year-old male pupils.

Lenea Pardue, 35, of Trenton, Georgia, is charged with electronically furnishing obscene material to minors and computer or electronic pornography and child exploitation.

The X-rated snaps came to light after the father of one of the boys found them on his phone and recognised Ms Pardue.

The crafty dad then tried to blackmail the teacher into sucking him off – but she surrendered herself to the police.

The father – who cannot be named for legal reasons – has also been arrested for attempted blackmail.

Dade Co Schools Superintendent Jan Harris said the district fired Pardue when officials learned about the photos.

Saddened

In a statement she said: "We are saddened to learn about the arrest of a former substitute teacher.

"This individual is no longer employed as a substitute teacher with Dade Co Schools.

"We are now cooperating with law enforcement officers as they investigate this matter."

FIRST HANDJOB

IFFY: I didn't plan my first handjob, I was just sat on my boyfriend's bed one evening when he lobbed it out while we were kissing.

I didn't really know how to do it but thought there was no harm in having a go.

The main problem was he had quite a small willy, so I could only use two fingers. Luckily, it only took five minutes to make him come.

I thought it was rubbish and had no intention of ever giving a guy a tug again.

LAUREN: I was 16 when I first gave one. My boyfriend and I had both been in detention and after we'd been told we could go I gave him a handjob in the field behind the school.

We were just messing around, but somehow his pants came down and it just seemed like the perfect opportunity.

I pulled him off for about half-an-hour but when he still hadn't come I gave up.

FIRST BLOWJOB

IFFY: I gave my first blowjob to my first boyfriend when I was 16. We were messing around on his bed when he just asked me outright.

I was pretty keen to get some experience so agreed to try it. It was really scary because his parents were downstairs and his bedroom door was open, so we knew we might get caught.

It didn't go very well because I was quite embarrassed doing it. He came after about five minutes and I ran and spat it in the toilet. It tasted like salty jelly.

LAUREN: My first blowjob was given to my boyfriend's best friend when I was 16.

I was at his house party and a bit drunk and my boyfriend had to go home early because he was grounded by his parents.

I started kissing his mate and then I ended up in his bedroom giving him a blowjob.

I didn't really like doing it, it felt weird and I wasn't sure what I was doing. I stopped after about five minutes even though he hadn't come.

FIRST HUGE WILLY

IFFY: My first big one belonged to my ex-boyfriend, it was about nine inches long and thick as well.

The first time I slept with him it was amazing, it was the best sex I'd had up until that point.

He wasn't just big, he also knew how to use it and that's what really matters.

If they're big but haven't got a clue what they're doing, then size doesn't matter.

LAUREN: I was 17 and went out with a lad who had a 12-inch penis, I kid you not.

I was scared when I saw how big it was, I thought it was going to split me in two.

It was painful the first time we had sex but strangely nice at the same time. I didn't know what to think afterwards, but I decided to persevere with him.

Three weeks later I dumped him because the sex didn't get better, in fact it became more painful.

Willies can be too big.

FIRST BUM FUN

IFFY: I tried anal for the first time last year with my boyfriend. He went on about doing it for a few days and in the end I gave in.

It was really painful at first and I wasn't sure I made the right decision, but after a few minutes it was OK.

I've done it a few times since and I don't mind it at all now.

LAUREN: I've never tried it, it doesn't appeal to me. My ex told me he'd tried it with a previous girlfriend once with disastrous consequences and that was enough to put him – and me – off for life.

FIRST SEX TOY

IFFY: When I was 18 my boyfriend bought me a Rampant Rabbit for my birthday.

He thought it would spice things up a bit in the bedroom for us and I let him try it out on me that weekend.

I had big expectations but, to be honest, it didn't really do that much for me. It put me in the mood a bit but was nowhere near as good as the real thing.

Since that experience, sex toys don't really interest me.

LAUREN: My ex bought a vibrating willy ring from a toilet vending machine last year, that's the first toy I tried. We thought we were going to have the time of our lives but, to be honest, it just got in the way.

We took it off in the end and carried on without it.

I've no interest in trying more sex toys either, you can't beat the real thing

> "I was so scared when I saw how big it was – and I thought it would split me in two"

FIRST SHAG

IFFY: I hadn't planned my first time, it just happened. I was 16 and at my boyfriend's house.

He suggested it and I thought 'Why not?' I'd made him wait ages and we were both keen to lose our virginities.

But I couldn't believe how much it hurt. It was so painful, I never wanted to do it again.

It only lasted 10 minutes but it was a huge relief when it was over and done with. It was nowhere near as nice as I'd imagined it would be.

LAUREN: My first time was after I gave my first blowjob to my boyfriend's best mate.

We ended up having sex that night. I was really keen to lose my virginity and had been asking my boyfriend for weeks, but he wouldn't do it so I was pleased his mate was up for it.

It didn't hurt, but because he had a small willy it wasn't that good either. It lasted for about two hours but didn't do that much for me.

FIRST ONE-NIGHT STAND

IFFY: I had my first one-night stand when I was 17 and had just split from my boyfriend.

I went out with my mates and pulled this really sexy guy. I was snogging him all night and he came back to my friend's house at the end of the night.

I knew we were going to end up having sex. We did it in my friend's mum's bed and I had a great time.

I had no inhibitions because I knew I'd never see him again, so we had rampant sex.

I regretted it a bit the next day because all my friends knew I'd had a one-nighter.

LAUREN: I had my first one-nighter with my best mate's older brother when I was 17.

My mate was upstairs and I was downstairs watching a film with him. We started getting a bit frisky and then had sex on the sofa and then in his bed too.

He was OK in bed but not brilliant. My mate was furious when she found out I'd shagged her brother, but thankfully she soon got over it.

READY FOR ANYTHING: Della

'After rubbing my nips he told me to slip a finger in'

DELLA, 33, FROM WEST LONDON

DELLA, 33, has been camming for three years and she loves it.

Before that, she worked as a high-class escort but finds webcam work is easier, safer and a lot more financially rewarding.

The media studies graduate, from west London, said: "If you are going out on an escorting job you often have to spend hours getting ready.

"You have to prepare yourself as though you are going out on the most important date of your life.

"Someone is paying for your company, after all.

"Camming is more relaxed.

"I put some sexy lingerie on, get my make-up done, switch the webcam on and off we go.

"In the time I would have spent getting ready for an escorting job, I can do two or three cam shows. It's a no-brainer for me."

Della showed us her "cam room" – the spare bedroom of her two-bedroom flat.

At the foot of the circular bed stands a wide-screen TV connected to a laptop with a wireless webcam.

She said: "I log onto AdultWork and just wait for a ping on the computer that tells me someone has logged onto my part of the site.

"It's like a virtual room that people pay to get into.

"I describe my services on my AdultWork profile and if people like what they see, they come in and have a proper look."

Della also has several free nude photos on her profile page – to tempt in the punters.

More explicit photos and videos are also available, for a fee.

She explained: "Some people, for whatever reason, don't want to interact. They just want to look at photos or videos – I cater for these people, too."

Della fired up her AdultWork account to show us how it works.

Within minutes, the "ping" announced a client.

Della whipped off her top and showed off her 32B boobs for the camera, massaging her nipples and talking to her client.

"I want to be a filthy slut for you," she purred. "What do you want me to do?"

On the big TV, half the split screen shows her image on one side while the other shows the punters' requests.

This time the client opts for a private show – a one-on-one webcam experience where Della performs exclusively for the paying punter.

Juices

After then performing in private for her client, Della said: "It was a pretty normal show. He asked me to rub my nipples until they were hard then slip a finger into my pussy and rub my juices on my nipples. Then he asked me to hold open my pussy and rub my clit.

"It's always a turn-on. I think about the punters wanking their hard cocks as I'm fingering my wet pussy.

"I say to them, 'Can you feel your spunk coming? Do you want to come all over my hot, wet c**t?'

"Sometimes I get more explicit demands, such as being asked to finger my bumhole – and I'm always happy to do it.

"Camming turns me on so much – I'm ready for anything!"

NICE ADULT WORK IF YOU CAN GET IT!

THE net revolutionised adult entertainment and drove a carriage and horses through the sex industry in Britain.

X-rated material that once upon a time could only have been found during a trip to Amsterdam or Scandinavia is now easily accessible at the click of a mouse button.

By GRACE HOOPER
news@sundaysport.co.uk

Folks with a particular kink used to have to knock on a dozen doors in the more shadowy parts of London to get their fantasy fulfilled.

Escorts, sexy chat and *Fifty Shades*-style nookie all lurked in the dark and finding your way could be very expensive.

But the internet has changed all that.

Now there are one-stop net shops for every sexual product and service.

And the most famous of these is UK-based AdultWork.

AdultWork is a UK website which allows sex workers to specify the exact services they provide before being booked for a job.

And hundreds of models use it to provide X-rated video chat.

Users log on and, for a fee, can ask a girl to perform an act, or watch a live sex show from the comfort of their own laptop, tablet or mobile phone.

We spoke to two babes who bring delight to thousands with their webcam shows…

'I'm usually dripping wet at the end of a show…'

HELEN, 23, FROM BIRMINGHAM

SEXY student Helen says she's a performer, not a sex worker.

The 23-year-old brunette, who is originally from Devon but now lives in Birmingham, told *Sunday Sport*: "There's nobody touching you. The client is not even in the same room – so it's not even like stripping or lapdancing.

"I was a lapdancer for a while and have to admit it was absolutely exhausting work.

"Don't get me wrong, almost all of the guys were complete gentlemen.

"But dancing all night long is physically draining.

"This is much better. What's more, I can do it in my student digs and work around my studies.

"There are no set times – you work when you want.

Potential

"Obviously, the more time you spend online, the more money you make. It's like every other job – the more hours you put in, the higher the pay potential."

Helen has developed an online persona which has horny AdultWork punters coming back for more.

She said: "I pretend to be shocked. I say, 'You want me to do what?' or 'I'm not sure it will fit in there. It's so tight'.

"That's how you get the guys onto the private shows.

"Then I really let rip!

"They realise I'm not all sweet and innocent and that I love to use words like 'f**k' and 'c**t'.

"Some private shows just involve me swearing. There are loads of guys who like that.

"I also do humiliation – guys log on and I ask them, 'Are you holding that tiny cock? What am I supposed to do with that? You're pathetic!'

"It sounds a bit cruel but the guys who enjoy that come back again and again.

Kinks

"I have no idea who these men are or what walk of life they come from – it doesn't matter to me. The important thing is that they've paid for my time and deserve my best performance."

Helen also revealed that some men on AdultWork like to watch her go to the toilet or even spit at the camera.

She added: "It's not for me to judge people's particular kinks.

"When I do what a client asks, he's enjoying it at the other end.

"He's wanking himself silly over what I'm doing on my webcam.

"And that's a massive turn-on in itself. Nine times out of 10, my pussy is dripping wet at the end of a show."

LEGENDS OF PORN

PART 22 EVE ANGEL

By PENNY MARSHALL
news@sundaysport.co.uk

SEXY Eve Angel started out as a very average girl from Budapest, Hungary.

But as soon as she graduated at the age of 18, she made her foray into the adult business.

It just so happens that she was friends with a girl who was already in the adult modelling industry and who helped her get her foot in the career.

Starting out by appearing in mostly boy/girl shoots and scenes, her focus changed around 2003 and since then Eve exclusively performs in lesbian scenes.

Fun

Oh, and dildo scenes. Her anal dildoing is a thing to behold.

She has stated that at first she only loved the money and travel that the industry afforded her.

But she eventually grew to love the fun of the work and the opportunity to have sex with beautiful women.

In 2009, Angel won the AVN Award for Female Foreign Performer of the Year.

Now 35, Eve – whose real name is Eve Dobos – manages a design company with her older brother.

"I love showing off my bum and legs. And my boobs, of course."

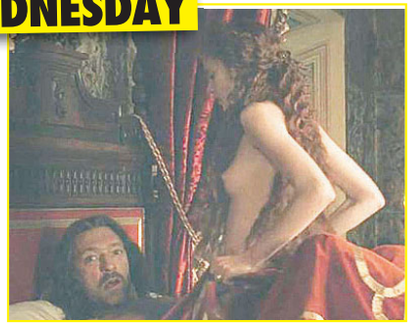
Horror Channel, 12.50am – *Wrong Turn 6*
ROXANNE Pallett, of *Celeb Big Brother* madness fame, is very nude in this. Well worth a watch, even knowing she's a bit barking.
5 Spike, 11.05pm – *Flight of Fury*
AWESOME torso tots from Katie Jones, who tries to seduce a gun-toting Ciera Payton at 55 mins.

WEDNESDAY



C4, 1am – *Silver Linings Playbook*
BREA Bee's buns are visible through the shower curtain, then her boobs bob in to view when she's caught with another guy at 13 mins.
Film4, 11pm – *Tale of Tales*

ILEANA Huxley peels off her bra and dances on the pole before giving a lucky guy a lap dance at 19 mins.

FRIDAY

TODAY

MONDAY

FIFA Football Awards 2018 – BBC1, 10.45pm

HIGHLIGHTS from Royal Festival Hall in London, as the finest players and coaches from both the men's and women's game are rewarded for their performances over the last year.

Cristiano Ronaldo, Luka Modric and Mo Salah were the nominees for the prestigious Best FIFA Men's Player award, and Ronaldo had won it in each of the previous two years the ceremony had been held.

Get on the right track, baby!

Paddington Station 24/7 – C5, 9pm

THE heat causes a fault in vital signalling equipment at Didcot, resulting in a points failure, and incident controller Greg has to react fast to prevent any serious snarl-ups.

Cornwall engineers deal with a historic, but urgent issue, with increasingly unstable lines built in the 1860s in need of repair.

The £1.5m project includes laying three concrete beams – the largest of which is 51 tonnes – to support the tracks.

But, with just five nights to complete the works, it's a race against the clock to get it done.

OF THE TELLY

By BARNEY SAMUELS

Bodyguard of the galaxy...

Bodyguard – BBC1, 9pm

DAVID makes a major breakthrough as he goes in search of the truth behind the attack on Julia.

However, his interference in the case has placed him in mortal danger, and he comes to realise that there is no-one left who actually believes his story.

With time rapidly running out, he faces a battle to prove his innocence in the face of mounting evidence against him.

Jed Mercurio's six-part political thriller comes to a stunning conclusion with an extended final episode. Starring Richard Madden, Gina McKee and Nina Toussaint-White.

Last in the series.

PDC Champions League of Darts 2018, Day Two: Evening Session – BBC2 6.30pm

CAROLINE Barker presents coverage of the semi-finals and final from Brighton Centre, as the players who've progressed through the group stage hope to claim the impressive £100,000 first prize.

These matches will take place over the best of 21 legs, as the winner of the third staging is set to be decided.

Celebrity Island With Bear Grylls – C4, 9pm

THE castaways have been on the island for 10 days, and have spent most of their time trying to catch fish to eat.

However, with the nets coming up empty every time, new tactics are required in the search for food, so Montana Brown and Anthony Ogogo go hunting for meat – despite Pete Wicks's objections.

Eric Roberts's behaviour wins him few friends in the camp, but an unexpected personal crisis reveals a more vulnerable side to the movie star, and inspires the rest of the group of celebrities to rally round and support him.

TUESDAY

The Flu That Killed 50 Million – BBC2, 9pm

DOCU-drama about the 1918 Flu pandemic, which killed more than 50 million people.

Using dramatic reconstruction and eyewitness testimony from doctors, soldiers, civilians and politicians, this one-off brings to life the onslaught of the disease and the very real horrors of those who lived through it.

Just what you want to be watching with the 2018 flu season just around the corner.

Have you got your jab yet?

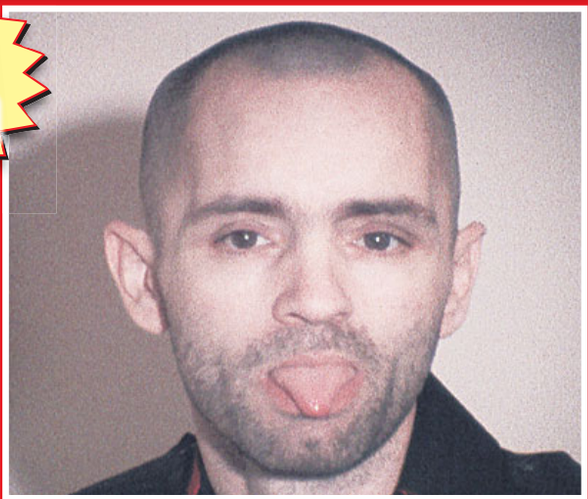
Narrated by former *Doctor Who* star Christopher Eccleston.

Queen of the World – Tuesday, ITV, 9.15pm

PART one of two. Documentary examining the Queen's role on the global stage and the baton she is passing to the younger members of the Royal Family as they continue to build the Commonwealth connection.

Featuring cine footage from the Queen and Duke of Edinburgh's private film archives and treasures of the Royal Collection, cameras focus on her early years as Head of the Commonwealth.

DON'T MISS THIS!!!



Manson: The Lost Tapes – Thursday, ITV, 9pm

My perfect Sunday...

Tessa Fowler, 27, 34FF, from Leicester

TESSA'S SA SOAPY BAT

TASTY Tessa Fowler loves to wash away the cares of the week in a hot, soapy bubble bath.

The megaboobed pocket rocket, from Leicester, said: "All week while I'm working, I look forward to my long soak in the bath.

"I put on some music, light some candles, run a hot bath with loads of bubbles and then just relax lay back in the soothing water.

"As you can imagine, I get my big boobs very soapy and slippery.

"And I admit, my fingers have been

known to stray down between my legs for a bit of a fiddle.

"It's just to relax me, of course."

But curvy 34FF cracker Tessa says her unmissable Sunday bath is not for sharing, no matter how hunky the fella.

The 27-year-old brunette beauty added: "It's strictly me time.

"There are plenty of other times for guys to get involved."

Birthday treat for bum fun porn star

IT was Abbie Cat's birthday last week – and these saucy snaps were taken just as she was getting her flat ready for a party in a few days' time.

The busty beauty promised: "It will be a great party. Lots of booze and lots of sex."

And sex is something Hungary-born Abbie is very good at, because the 26-year-old – real name Evelin Gunyecz – has been doing hardcore movies since 2009.

By WENDY THOMAS
news@sundaysport.co.uk

The 32D stunna was the star of the 2012 classic *Anal Fanatic 4*, which gives you an idea of her "speciality".

She said: "For my birthday last year, I was treated to two cocks in my ass. At the same time!

"I'm not sure I can beat that this year.

"Maybe a full on cum-bath licked off by one of my lady friends. We'll have to see."

SEX-CRAZY CHRISSIE'S A CREAM CRACKER!

By WENDY THOMAS
news@sundaysport.co.uk

BEING from Hungary, Chrissie Harris likes two things: goulash and sex.

And if she can combine the two, the 28-year-old – who now lives in Battersea, south-west London – is in her element!

Curvy Chrissie, who boasts all-natural 34D boobs, said: "I like to bring a man back to my home and put on a CD of hurdy-gurdy music which reminds me of my home.

Cream

"Then I take the goulash, which has been cooking in the pan, and serve it to my man.

"After he has enjoyed the dish and is well fortified, he can deal with my other appetites."

Chrissie passionately revealed what she craves the most.

She said: "I like the sex. Good, hard sex. With cream on the teats.

"And I like it in the anus. That is the Hungarian way."

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I GOT a text message the other day from a bird I did not know. It read: "Want to suk ur cok all nite."

I sent one back saying that she must have got the wrong number but she was welcome to suck me off. To my amazement she replied and suggested we meet. I couldn't believe it. She was slim with long, dark hair, about 30 and very glamorous.

We went back to her place and I was rock-hard. She undid my pants and unleashed by throbbing love beast. She then sucked me off and let me explode between her 34Ds. We then had it doggy-style and she loved it as I pulled her hair.

I haven't seen her since and she does not return my texts. Any advice?

REMEMBER what a great night you had and move on.

Dear Kelly,

I'M a 27-year-old woman and I've been having sex with a neighbour's son for the past six weeks. He's 18, 6ft 2in tall and I can't get enough of him. The first time we f**ked he was a virgin but now he's a lot more experienced – and experimental.

He takes me front, back and sideways and when he goes down on me I never fail to orgasm. This morning I could hardly walk properly – that's because I let him take me up the arse.

Anyway, he really loves it when I lick his balls and tickle his arse-while I suck him off. And I love it when he plunges my hidden depths with his big dick and orgasms all on my tits.

But do you think I'm wrong for having it off with a lad who is so much younger than me? Please help!

BN, Kent

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY McGREGOR has been reading through your letters and emails. Here's her advice...

Girl saw me shag shake but left me frustrated!

Dear Kelly,

I WORK at a fast food place and it was left to me recently to lock up at the end of the evening.

I'm usually pretty smelly by the end of the day so before heading home, to avoid going into a late shop, I decided to make myself a milkshake and sat down in the break room to drink it.

Realising there was no-one else in the building I got to thinking about a discussion we'd had at lunch when one of the young lads said the best wank he'd ever had was in a cup of milkshake.

Knob

I thought this was a good opportunity to try it out and pulled my seven-inch cock out of my work pants. I then got it erect and dipped it right down to the bottom of my strawberry shake and started knobbing it.

It felt great and my bits were soon covered in shake.

By then I'd slipped my jeans and pants round my ankles and my cock was bulging and my balls were aching to explode.

I was so carried away that I hadn't noticed one of the girls from the office area had come back in and had been standing there watching me knob the shake.

I'd always thought she was a right cow and I'd never seen eye-to-eye with her.

So I was quite surprised when she told me to carry on, lifted her skirt and stuck her hand in her knickers to frig herself off.

I felt a little bit uncomfortable but as soon as I saw her shaven gash I was beating myself off faster than ever. But when I'd finished and shot my load in the milky, pink gunk, she just lowered her skirt and walked off.

I really enjoyed my wank but now I'm desperate to shag this girl, who has said nothing about the incident since.

The least she could do is to do a repeat and then suck the shake off my cock. What can I do?

JW, Hants

Kelly says...

WELL, you've put me off of milkshakes for life! Why not offer to take this lass somewhere posh?

Dear Kelly,

LAST week a game of strip poker at my mum's house got out of hand and I ended up having sex with a bloke three times my own age. I got home from a club to find a party mum had been hosting had got a bit kinky, and all her pals were sat around in various stages of undress.

I found myself turned-on so I joined in and soon ended up naked. Then I started snogging this fella, and it went from there. He was a pal of my mum's and built like a horse, and I loved sucking his cock, but I can't tell my pals because they'll all call him Grandad.

What can I do?

SP, Manchester

Kelly says...

JUST find a well hung lad your own age.

Here you go. I want to return these knickers. Not gonna wear undies anymore!
PHWOAR! You know... I have a large package you might be interested in...

SEX STARS

LEGENDARY director Joone, the genius behind some of the world's best EVER adult movies, helmed all three *Island Fever* epics.

He is known as the Spielberg of Sp* and when he calls, the leading adult actresses come running!**

Topping the bill here is superstar Tera Patrick but she's ably supported by top-drawer movie shaggers Julia Ann and Briana Banks.

And of course, you can't have proper shagging without some good hard cks and *Island Fever* has some of the biggest and best in the business. After all, what man is going to refuse a month in a tropical paradise bonking some of the most beautiful women in the world?**

HERE'S your chance to get your mitts on the greatest sex films trilogy ever made...for a fraction of the normal price!

Island Fever was the ground-breaking hardcore porn film that rewrote the rules in terms of both content the budget.

The world's leading adult stars were taken to the paradise islands of Hawaii, then shagged daft in pin-sharp HD for our viewing pleasure!

This no-expense-spared extravaganza became *the* must-have DVD and copies changed hands at prices many times their face value.

The two follow-ups didn't disappoint and, if anything, pushed the envelope even further. This time the juices were flowing on tropical Tahiti and Bora Bora bore witness to bum tricks as even more red-hot babes dropped their panties and their inhibitions to bring us a tropical feast of f***ing and sucking.

The greatest cinematic trilogy since *The Godfather* would normally cost you £25 each but today, in conjunction with *Private Shops* we can offer you one for £15 or all three for just £25.

Remember, this is hardcore pornography and not available on the internet or by mail order. The only way you can get yours at this amazing price is to get yourself along to one of the licensed sex shop on this page.

We've negotiated this unbeatable price as a thank-you to all our loyal readers.

VICTORIA: I LOVE MAKING PORN MOVIES

By WENDY THOMAS
news@sundaysport.co.uk

GORGEOUS Victoria Blaze will need no introduction to fans of PORN movies.

Because you have probably already seen her chomping on hard cock, taking a stiff length up her tight, puckered bumhole or swallowing pint after pint of steaming SPUNK!

The Czech-born babe appeared in the XXX movie *Young Harlots*, where she takes well-hung porn stud Danny D up her trumper.

And as Danny has a winkie you could bang fence posts in with, that's an eye-watering feat!

Victoria, 25, who has lovely 34C boobs, said: "Anyone who has watched my movies can see that I enjoy my work very much.

"I always orgasm when I am having sex on film.

"The viewers can tell if you're faking it and, thankfully, I've never had to yet."
